

2010 THINK Summer Institute - Application Now Available

The Davidson Institute is seeking profoundly gifted students, ages 13 to 16, who are interested in attending the 2010 THINK Summer Institute. THINK is a three-week residential summer program on the campus of the University of Nevada, Reno where students can earn six college credits by completing two university courses.

The 2010 THINK Summer Institute will run from July 10 through July 31. Tuition is \$2,700 and covers course credits, room and board and the cost of planned programs and activities. Need-based scholarships are available.

To qualify, students must be 13 to 16 years old during THINK, and must meet or exceed designated SAT or ACT scores. The deadline for early acceptance is January 14, 2010. Due to the intense nature of the program, enrollment is limited to 60 students. Homeschooled students are eligible to apply.
