

Go to College Out-of-State for LESS!

WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states (including Nevada) may enroll in participating two-year and four-year public college programs at a reduced tuition level: up to 150 percent of the college's regular in-state resident tuition. WUE tuition is considerably less than non-resident or out-of-state tuition! Interested students must apply directly to the institution(s) of their choice for admission and WUE tuition rates. Further information about specific programs in WUE may be obtained from Admissions Offices at participating colleges or by visiting: <http://wue.wiche.edu/>.
